## AIMS OF THE COLLEGE

---

Talladega College is Christian and therefore, inter-denominational. It does not bid for the attendance of men and women who have no serious purpose in entering college, but it welcomes the student of genuine intent and superior ability.

The College aims to provide, under guidance, an opportunity for vital contacts with inspiring men and women, with the important areas of human knowledge, and with varied experiences in living by means of which the student, in his fundamental task of building a personality, may grow so that (a) the continuing process of his personal development will be purposefully directed; so that (b) he will be able to live successfully in a changing and imperfect social order; and so that (c) he will be willing and able to lend intelligent and active assistance in promoting desirable social changes.

In the course of his development in college, the student is expected to make reasonable progress in the following areas: (1) the acquisition of usable information concerning the general nature of things and of men; (2) the development of sustained interest in and progressive mastery of a chosen field of study and of some particular aspect of this field; (3) the mastery of such skills and techniques as are needed for effective living; and (4) the constant practice of constructive attitudes which will lead him to promote the common welfare.

## INTRODUCTION

This special supplement to our 1943 catalog is issued because there are so few changes in the course offerings from year to year that both the extra expense and the shortage of needed materials seemed not to justify us in publishing a full catalog. Anyone interested in a detailed account of our course offerings, extra-class activities, and college history may secure a copy of the 1943 catalog by sending a request to the Registrar's Office.

This supplement for 1944 contains the register of trustees, faculty, and students; changes in course offerings from previous years; announcements of scholastic honors; the academic calendar for 1944-45; and a statement of expenses.

## ADMISSION OF STUDENTS

Application for admission should be made as soon as possible before the beginning of the school year. No new student should come without having first corresponded with the registrar. Blanks for application are obtainable from the registrar of the College, to whom all applications and inquiries should be addressed.

Students wishing to transfer from other institutions must present a statement of honorable dismissal from the college last attended. All students become subject to all rules and regulations of the institution when they enter the grounds, whether they have enrolled for classes or not.

## Requirements for Admission

The work of the College is divided into two periods—the General Division, and the Major Division. The purpose of the General Division is to complete as far as possible the general education of the student, acquainting him with the various fields of human knowledge and endeavor and giving him the command of tools needed for further work. The purpose of the Major Division is to permit the student to concentrate his attention and work upon some limited field closely connected with his vocational plans and interests.

Candidates for admission into the General Division of the College must have been graduated from an approved high school where his record of performance has been a creditable one. In special cases admission may be secured through examination.

Students planning to study for the Bachelor of Music degree should have had, in addition, the advantage of private lessons in some branch of music. If the lessons do not include piano, some knowledge of that instrument must be possessed by applicants. Upon entering the college, the student will be examined and advised as to the length of time probably necessary for completing requirements for graduation. The Kwalwasser-Dykema tests are used to determine musical aptitude.

### EXPENSES

Payment for tuition, board, room, and laundry is to be made in advance, at the beginning of each term for which a student registers. For men students, this charge includes laundry service, while for women, it permits free use of laundering facilities in Foster Hall. The expenses to the student are:

(1) For tuition, each term.....	\$40.00
(1) For board, room, and laundry, each term—	
For men.....	\$81.00
For women.....	77.00

For certain courses, special laboratory fees are charged, as indicated in the listing of the course. These fees are payable in advance by the term.

Students desiring to arrange installment payments of the foregoing charges will use the following schedule:

#### Fall Term:

First half on registration  
Second half, November fifth

#### Winter Term:

First half, January third  
Second half, February tenth

#### Spring Term:

First half, March twentieth  
Second half, April twenty-fourth

In no case will a student be permitted to continue in residence when his payments are past due.

In addition to the above mentioned charges, certain deposits are to be made once each academic year, due at the time of initial registration in that year; and any unused balance of these deposited sums is to be refunded when the student completes his residence for the academic year.

Library deposit.....	\$3.00
Room key deposit for dormitory residents.....	.50

Also by vote of the student body, an annual subscription fee of 75c is required of all students for the student paper, except in the case of students who register for the summer term only. This fee is payable at the time of initial registration in any academic year, and is not refundable.

In extended illness a charge is made for hospital service at the rate of one dollar a day, and the student pays for the necessary medicines.

Except for books, stationery, and fees for rental of sheet music for music students, the college makes no other charges for a regular student, until he qualifies for a degree, whereupon a diploma fee of five dollars becomes due.

While the college does not make any further charges, students who are irregular in their attendance or work incur the following:

#### Special Fees—

Late registration (after opening day of term) .....	\$5.00
Exceeding vacation dates, first day \$5.00, thereafter per day.....	1.00

Registration includes the assignment of courses and the payment of fees. Exceeding vacation dates is determined by last class attended before vacation and first class attended after vacation.

Refunds of board payments will not be made for absences of less than two consecutive weeks. No refund is made on relinquishing a dormitory room during any six-week period.

If advancing food prices compel an advance in the rate of board, the college reserves the right to make such adjustment at any time during the school year.

Room deposit of \$5 is necessary to insure dormitory reservation, and must be made before September first if room assignment is to be made. Deposits are not returnable after September first.

### Student Aid and Self-help

Four kinds of financial assistance are available: Scholarships, Grants in Aid, Loans, and Part-time Employment. Applications for Scholarships, for Grants in Aid, or Loans are made to the Committee on Student Financial Aid at a designated time during the spring term. All financial help is available in six equal installments during the college year.

Special Scholarships for freshmen are established at many high schools in the Southern States, limited to the leading students of each graduating class, usually covering the cost of tuition at Talladega College.

Each year an incoming freshman is chosen through competitive examination for either the Savery, Headen, White, or Tarrant Scholarship. The holder of either one of these scholarships receives a grant covering tuition, room, and board which amounts, for a male student, to \$363 and, for a female student, \$351. Each one of these scholarships may be renewed each year for the four-year college period, provided the quality of the work and of the development of the holder justifies it. For full information concerning the competitive examination, prospective students are asked to consult the principal of their high school or write to the Chairman of the Committee on Financial Aid at Talladega College.

Students who rank high in this competitive examination but who do not take first place may receive scholarship

awards ranging from \$75 to \$120 to aid in their first year at college.

### SCHOLARSHIPS FOR UPPER CLASSMEN

Students who maintain a high standard of academic work and who show definite development in acquiring useful habits and attitudes are chosen to be DeForest Scholars, Andrews Scholars, or Sumner Scholars depending upon the quality of their work. Students eligible for such distinction who need financial aid and who apply for it may receive stipends as follows: DeForest Scholars, \$120; Andrews Scholars, \$100; and Sumner Scholars, \$75.

In addition to the foregoing awards, there are limited funds available for student grants in aid, and loans, made on the basis of academic record, adaptation to college life, and individual need. Scholarship holders are eligible to apply for loans. Students receiving grants in aid may be asked to do some work on the campus.

Part-time employment for a limited number of students is available in the dining hall and in various campus positions. A few students are able to find off-campus employment. Applications for part-time employment are made through the Public Relations Office.

### PRIZES

**The Armstrong Prize for Creative Ability**—A prize of fifteen dollars to be awarded to the student who during the academic year has given the most significant evidence of creative ability in any field. At the discretion of the awarding committee, the prize may be divided. Awarded annually at Commencement, on behalf of the Rev. Robert G. Armstrong of Concord, New Hampshire.

**The Avery Orations**—Two prizes, one of ten dollars and one of five dollars, endowed by Mrs. John T. Avery, of Galesburg, Illinois, in memory of her husband, for the two best orations. Competitors may be from any department of the institution.

**The Whiton Essays.**—Two prizes, one of ten dollars and one of five dollars, are awarded to successful contestants from any department of the institution for the best essays on some theme in History, Philosophy, or Literature. The prizes were established in 1888 by the Rev. J. W. Whiton, Ph.D., of New York. Essays prepared for the contest must be handed in by 9 o'clock p.m., on the last day of the spring vacation of each year. A list of subjects from which selections may be made is posted at the beginning of the College year.

**The Frances Lawson Clement Prize**—A prize of twenty-five dollars, established by Mr. William Clement in memory of his wife, which is to be awarded to the young woman of the Major I class considered to have "exemplified the highest qualities of womanhood during her college career."

## COURSE CHANGES
