First Semester

- August 27, Wednesday 10:00 a.m.
- August 27-30, Wednesday to Saturday
- August 28-30, Thursday 1:00 p.m. to Saturday, 12:00 noon
- September 1, Monday
- September 2, Tuesday
- September 4, Thursday
- September 4, Thursday 1:00 p.m.
- October 10, Friday
- November 2, Sunday
- November 3-7, Monday to Friday
- November 26, Wednesday 6:00 p.m.
- December 1, Monday 8:00 a.m.
- December 7, Sunday 7:00 p.m.
- December 13-19, Saturday through Friday
- January 8-10, Thursday 1:00 p.m. to Saturday 12:00 noon
- January 12, Monday 8:00 a.m.
- January 14, Wednesday
- January 15, Thursday
- February 8-15, Sunday through Sunday
- March 6-14, Saturday through Sunday
- March 15, Monday 8:00 a.m.
- April 3-10, Saturday through Saturday
- May 8-14, Saturday through Friday
- May 15, Saturday
- May 16, Sunday

- Faculty-staff meeting
- Freshman orientation
- General registration
- Late fee charged after noon Saturday
- Labor Day—no classes
- All classes begin
- Last day to add a class
- Opening Convocation
- Last day to drop a class—all schedules final
- Founders Day
- Pre-registration for second semester
- Thanksgiving recess begins
- Classes resume
- Christmas Ministry of Music Convocation
- First semester examinations
- General registration
- Late fee charged after noon Saturday
- All classes begin
- Last day to add a class
- Martin Luther King Day Convocation 1:00 p.m.
- Black History Week
- Spring recess
- Classes resume
- Arts Festival Week
- Second semester examinations
- Alumni Day
- Baccalaureate-Graduation

GENERAL INFORMATION

General Information

AIMS OF THE COLLEGE

Talladega College is dedicated to the growing realization of the basic fundamentals of the Christian faith—the fatherhood of God and the brotherhood of man. It is nonsectarian and interracial in both faculty and student body. It believes that the training of literate humane persons—willing and capable of assuming enlightened personal responsibility in citizenship—is the chief task of the liberal arts college.

The College aims to provide under guidance, an opportunity for vital contacts with inspiring men and women, with the important areas of human knowledge, and with varied experiences in living by means of which the student, in his fundamental task of building personality, may grow so that (a) the continuing process of his personal development will be purposefully directed; so that (b) he will be able to live successfully in a changing and imperfect social order; and so that (c) he will be willing and able to lend intelligent and active assistance in promoting desirable social changes.

In the course of his development in college, the student is expected to make reasonable progress in the following areas: (1) the acquisition of usable information concerning the general nature of things and of men; (2) the development of sustained interest in and progressive mastery of a chosen field of study and of some particular aspect of this field; (3) the mastery of such skills and techniques as are needed for effective living; and (4) the constant practice of constructive attitudes which will lead him to promote the common welfare.

THE ACADEMIC PROGRAM

Talladega College confers the Bachelor of Arts degree. The work of the College is divided into two phases—the General Division and the Major Division. The purpose of the General Division is to complete as far as possible the general education of the student, acquainting him with the various fields of human knowledge and endeavor and giving him the command of tools needed for further work. In the second year of the General Division, a student may take a limited number of courses leading to his field of concentration to be pursued in the Major Division. The purpose of the Major Division is to permit the student to concentrate his attention and work upon some limited field closely connected with his professional plans and interests.

COURSES OF STUDY

General Education, which includes studies in communications skills, general humanities, social science, natural science, mathematics and physical education normally takes most of the freshman year and part of the sophomore year.

Programs are also provided for students with career interests in:

- Languages and literature
- Music and music performance
- Cultural heritage and history
- Biological and physical sciences
- Computational sciences
- Pre legal, pre civil-professional studies
- Social and economic studies
- Education

Plans to achieve goals reflected in these interests are provided in the following majors offered by the college:

EDUCATION

- Elementary Education
- Physical Education-Recreation
- Rehabilitation Education

HUMANITIES

- English
- Modern Languages-French
- Music

NATURAL SCIENCES AND MATHEMATICS

- Biology
- Chemistry
- Mathematics
- Mathematics-Physics

SOCIAL SCIENCES

- Economics
- History
- Psychology
- Sociology
- Social Work

SPECIAL PROGRAMS

ALABAMA CENTER FOR HIGHER EDUCATION

Talladega College is a charter member of the Alabama Center for Higher Education (ACHE), a consortium of eight four-year degree-granting institutions of higher education in the State. The consortium has instituted cooperative programs in Engineering, Physics, and Veterinary Medicine. These programs allow advanced students to transfer without penalty from their home college to the institution that offers a degree in one of the three areas.

Students enrolled in these programs are able to transfer at little or no additional expense above what they are paying at their original institutions. Students may also apply for an ACHE scholarship grant to help defray tuition and living expenses during the initial year of transfer.

Three-Two Cooperative Engineering/Physics Program

Students who enroll in this curriculum should complete the first three academic years at Talladega College and pursue a strong liberal arts program with emphasis on mathematics or physics. Upon successful completion of this three-year pre-engineering curriculum the student should transfer to Tuskegee Institute and specialize in either Mechanical Engineering or Electrical Engineering for two years. Students successfully completing this cooperative program of courses will receive a Bachelor of Science Degree in mathematics (or physics) from Talladega and a Bachelor of Science Degree in Engineering from Tuskegee Institute.

Two-Two Cooperative Veterinary Medicine Curriculum

Students who enroll in this program should complete the first two academic years at Talladega, pursuing a course of study which includes the courses of the Pre-Veterinary Medicine curriculum:

Physical Science (must include organic chemistry and one year of physics)	20 credits
Communications	8 credits
Biological Science (including 6 hours of Zoology).....	9 credits
Electives in Social Science and Humanities.....	9 credits
Free Electives.....	10 credits

Upon completion of this curriculum, students transfer to the Tuskegee Institute School of Veterinary Medicine. Upon successful completion of the first two years of the Veterinary Medicine Curriculum, students receive the Bachelor's degree in Biology from Talladega. At the end of the four-year professional program in Veterinary Medicine, the student will receive the degree of Doctor of Veterinary Medicine from Tuskegee Institute.

THE TALLADEGA-TUSKEGEE CONSORTIUM ON UNDERGRADUATE SOCIAL WORK EDUCATION

Through a 707 Grant under the Social Security Act, Talladega College and Tuskegee Institute have established a Consortium on Undergraduate Social Work Education. The consortium makes possible exchange of faculty, library resources, and audio-visual materials. Interinstitutional seminars are also conducted, enhancing the program for students in each institution.

The Social Work program, which has a strong liberal arts base, requires significant foundation knowledge in the social and biological sciences, as well as core courses with Social Welfare content.

Concurrent with his course offerings the student in social work is involved in a "living-learning lab and seminar" (see Catalog 1974-75, p. 75). The concept of the "living-learning lab" embodies not only field experience but the conscious use of many aspects of the student's own living as a learning experience. The "living-learning lab" makes practical use of concepts learned in the classroom and involves the student even more in his own learning. Overall objectives of the Social Work Program are to develop in the student attitudes and values lending themselves to the human services, and to provide a base of knowledge not only for understanding, but for dealing with some of the existing and future social problems.

WORK LEADING TO STUDY IN A FIELD OF CONCENTRATION (Normally the first two years)

Incoming students are examined carefully—not primarily for admission but for placement. Students showing exceptional skills in mathematics or communications may be excused from taking one or both semesters of the regular first-year courses.

During the first two years students carry the normal load of seventeen or eighteen hours of class work per week.

FIRST YEAR GENERAL REQUIREMENTS

1. **Communications 101, 102** 6 SH
Communications 100 may be required prior to Communications 101, 102 depending on previous preparation. Placement will be determined by examination at time of first registration.
2. **Humanities 101, 102** 6 SH
3. **Mathematics** (See CATALOG 1974-75 p. 62) 6 SH
4. **Natural Sciences** (See CATALOG 1974-75 p. 59) 8 SH
Basic requirement: NS 101-102 which includes a semester of Biological Science and a semester of Physical Science. For students with adequate preparation or special interests:
Biology 101, 102
Chemistry 101, 102
Physics 101, 102
5. **Social Science 101, 102** 6 SH
For some courses of study, it may be advisable to substitute a course in French, German or Spanish.
6. **Physical Education** 2 SH
In addition, freshmen will be required to participate in the orientation program.

Students apply to one of the four divisions under which the major departments are organized (see list of majors on page 6) during the sophomore year. General program advisors and heads of major departments will assist students in making wise decisions.

SECOND YEAR REQUIREMENTS FOR NATURAL SCIENCE AND MATHEMATICS

1. One each semester:
Communications 201, 202, 203, 204, 205 2 or 3 SH
Elective in Social Science or Humanities 3 SH
2. **Mathematics** 6 SH

- 3. **Biology, Chemistry or Physics** 8 SH
- 4. **German or French** 6 SH
- 5. **Elective in Social Science or Humanities** 6 SH
 (Must be Social Science 101, 102 if not taken in freshman year)

SECOND YEAR REQUIREMENTS FOR EDUCATION, SOCIAL SCIENCES AND HUMANITIES

- 1. One each semester:
Communication 201, 202, 203, 204, 205 2 or 3 SH
 (Must be 201 if grade in COM 102 is less than B)
Elective 3 SH
- 2. **Humanities requirement:** One course each semester selected from general offerings in Art, Literature (English and Foreign), Music, Philosophy and Religion. A list of courses meeting this requirement will be available at pre-registration and registration 6 SH
- 3. **Language if required in prospective major or elective** 6 SH
- 4. **Elective each semester in prospective major field** 6 SH
- 5. **Elective in Social Science each semester** 6 SH
 (Must be Social Science 101, 102 if not taken freshman year)

THIRD AND FOURTH YEAR REQUIREMENTS

Sixty (60) SH of studies under the supervision of a major department. Special requirements of the Music Department are shown in the 1974-75 catalog, page 16.

Details of regulations on grading, classification, voluntary or involuntary withdrawal, residence, honors, graduation and academic requirements are found on pages 14-17 of the 1974-75 catalog.

Departmental requirements and details of the curriculum patterns for all majors are published in **Curriculum Patterns** available upon request from the Office of the Dean.

ADMISSIONS, EXPENSES, FINANCIAL AID

Regulations for admission, expenses and financial aid remain unchanged for the 1975-76 school year. Prospective students should examine pages 19-31 of the 1974-75 catalog carefully.

Freshman applicants are admitted subject to acceptance of the following:

- Physical examination
- Graduation from an approved high school
- Grades of at least 15 units of high school work representing sufficient breadth of training from the fields of English, Mathe-

atics, Social Science, and Modern Languages to indicate the possibility of success in a liberal arts college.
 Recommendation of high school principal
 SAT or ACT test scores

Transfer students with Associate in Arts degrees may be admitted subject to acceptance of the following:

- Physical examination
- Graduation from an accredited junior college with an A. A. degree*
- An official transcript from the institution awarding the degree*

Such students will pursue sixty semester hours of study, normally two years of work, under the supervision of a major department in order to earn an A. B. degree. In cases where the transcript reveals omission of a general area required at Talladega College the student will be asked to take work in addition to the sixty semester hours.

Other transfer students may be admitted subject to acceptance of the following:

- A transcript from all colleges previously attended*
- A statement of honorable dismissal from the college last attended
- Other information listed for freshman applicants

*Grades of C or better from an accredited junior or four year college are normally acceptable if the courses taken correspond reasonably to courses at Talladega College.

APPLICATION

An advance registration fee of \$10.00 and room reservation fee of \$15.00 are necessary to complete application for admission.

The advance fees will be credited to the account of the student.

DEPOSITS ARE NOT RETURNABLE OR REFUNDABLE, EXCEPT IN THE CASE OF APPLICANTS WHO ARE NOT ACCEPTED.

EXPENSES

The college spends approximately \$4,232.00 per year on each student, but the annual standard cost for the resident student is only \$2,210.00. Contributions from the United Church Board for Homeland Ministries, the American Missionary Association, and the United Negro College Fund, together with endowment income and gifts from generous donors, make this possible.

BREAKDOWN OF TOTAL ANNUAL EXPENSES

Tuition and Fees	\$1,235.00*
Room	365.00
Board	610.00
	<hr/>
	\$2,210.00*

Tuition of \$540.00 per semester is charged for those students taking 12 to 18 hours of credit per semester. If a student obtains permission to take more than 18 hours, there is a charge of \$45.00 for each additional semester hour. Students taking less than 12 hours of credit are charged \$45.00 per semester hour.

Payments must be made as follows:

First Semester: August 28-30	\$1,105.00**
Second Semester: January 8-10	1,105.00**
	<hr/>
	\$2,210.00*

INSTALLMENT PAYMENTS

Students or parents who for good cause cannot comply with the above schedule may substitute the schedule below with the approval of the Business Manager. A charge of \$5.00 will be made for this special privilege.

First Semester: August 28-30	\$ 557.50**
October 29	552.50
Second Semester: January 8-10	552.50**
March 15	552.50
	<hr/>
	\$2,215.00*

*Plus music fees when applicable
 **Upon registering for the Semester

DEPOSITS AND SPECIAL FEES

DEPOSITS

Advance registration fee (new students only, see Application Fees, p. 20).....	\$10.00
Room reservation deposit	\$15.00
Key deposit	\$ 2.00
Music library deposit	\$ 2.50
Mail Box Rental (required of all students).....	\$ 3.00
Fee for Diploma (required when a student qualifies for a degree).....	\$10.00
Late Registration Fee (see Academic Calendar, back cover, for the penalty dates each semester).....	\$10.00 first day; \$1.00 each additional day.

The advance registration fee is credited towards tuition; the other deposits are refundable at the end of the year, or when a student withdraws and returns his room in good condition and his music and key to the proper person.

LABORATORY FEES

No charges will be made to a student taking art or science laboratory courses. However, if a student is furnished more than \$5.00 in art supplies or breaks more than \$5.00 worth of laboratory equipment, he will be required to pay the difference.

MUSIC INSTRUCTION FEES

For special courses in music, the following fees are charged (payable in advance):

(1) Individual instruction in piano, organ, or voice, for students not majoring in music	
Two lessons per week.....	\$30.00 per semester
One lesson per week.....	24.00 per semester
(2) Use of practice piano or organ	
One hour per day.....	\$10.00 per semester
More than one hour per day.....	20.00 per semester
(3) Group instruction in piano or voice per student.....	\$12.00 per semester

MEDICAL CARE

In extended illness a charge is made for hospital service at the rate of one dollar per day. The student must pay for all prescribed medicines.

REGULATIONS ON FINANCIAL MATTERS

TUITION REFUND POLICY

When a student officially withdraws from any course or courses in either the Fall or Spring semester, refund of tuition will be made upon filing of a withdrawal notice with the Registrar's Office according to the following schedule:

Before the beginning of the semester.....	Complete refund
During 1st week of class.....	90% refund
During 2nd week of class.....	80% refund
Withdrawal after end of 2nd week of class.....	No refund

It is important to note that all charges and refunds are based upon tuition commitments for the full semester. The effective date of withdrawal and refund, if any, will be the date when formal application is filed in the Registrar's Office, or in case of withdrawal by mail, the official postmark date of the correspondence. Application, registration, and installment fees are not refundable.

Students who have elected to pay on the installment plan are responsible for completing all payments if they withdraw after the second week of class.

No refund will be made for relinquishing a dormitory room during a semester.

GENERAL INFORMATION

Registration includes the assignment of courses and the payment of fees.

Student fees must be paid in full, or satisfactory terms of payment must be approved by the Business Manager, before a student can take semester examinations or register for a new semester.

Students whose accounts are delinquent for the first semester will not be permitted to register for the second semester.

Students who are not registered will not be permitted to remain in the dormitories, eat in the refectory, or attend classes.

Meal tickets will be issued monthly to all students whose fees are paid according to the schedule of payments. A fee of \$1.00 will be charged for replacing a lost meal ticket.

If payment becomes delinquent by thirty (30) days, students will be asked to withdraw from the college.

A fee of \$5.00 will be charged to the student's account for each check RETURNED FOR INSUFFICIENT FUNDS.

No academic record will be released until all fees are paid in full. The catalog statement is considered sufficient notice of the time and terms of payments. Checks, drafts, and money orders should be made payable to Talladega College.

FINANCIAL AID

SCHOLARSHIP SERVICE

Talladega College participates in the College Scholarship Service (CSS) of the College Entrance Examination Board. Participants in CSS subscribe to the principle that the amount of financial aid granted a student should be based upon financial need. The CSS assists colleges and universities and other agencies in determining the student's need for financial assistance. Entering students seeking financial assistance are required to submit a copy of the Parents' Confidential Statement (PCS) form to the College Scholarship Service by June 1, designating Talladega College as one of the recipients. The PCS form may be obtained from a secondary school or the College Scholarship Service, P. O. Box 176, Princeton, New Jersey 08540 or P. O. 1025, Berkeley, California 94704.

STUDENT AID AND SELF-HELP

Talladega College has a comprehensive plan of student aid which may provide financial assistance from the freshman year through the senior year of college. Each recipient must be a full-time student during regular school term.

Awards are based upon consideration of academic merit and financial need. In general, academic merit determines whether the assistance is given and need determines the amount of assistance.

Four kinds of financial assistance are available: Scholarships & Grants, Loans, Educational Opportunity Grants (EOG) and Part-time Employment. Applications for Scholarships & Grants, Loans, and Educational Opportunity Grants are made to the Director of Financial Aid at a designated time during the spring term. All financial help is available in two equal installments during the college year.

Special scholarships are offered to freshmen who stand very high scholastically in their high school graduating classes. The amounts vary from full tuition to part tuition.

Each year the incoming freshman who makes the highest score on the SAT test, and who has this score sent to us before April 15, is chosen for either the Headen, Savery, White, or Tarrant Scholarship, depending on which is vacant. The holder of one of these scholarships receives a grant covering tuition, room, and board. Each one of these scholarships may be renewed each year for the four-year college period, provided the quality of the work and the development of the holder justify it. For full information concerning the SAT test, prospective students are asked to consult the counselor or the principal of their high school, or write to the Director of Financial Aid at Talladega College.

The next ten highest ranking freshmen in the SAT examinations will be awarded Alumni Scholarships up to \$900. The recipients will be designated as Alumni Scholars.

Students above freshmen classification who maintain a high standard of academic work and who show definite development in acquiring useful habits and attitudes are chosen to be DeForest Scholars,

Andrews Scholars, or Sumner Scholars, depending upon the quality of their work. Students eligible for such distinction who need financial aid and who apply for it may receive stipends as follow: DeForest Scholars, \$500; Andrews Scholars, \$400; and Sumner Scholars, \$300.

The college also gives a Catherine Waddell Award each year, covering tuition, room, and board, to a student of the College who has achieved excellence in scholarship and the expression of the ideals of Christian living, and who shows evidence of developing into an effective adult citizen. This scholarship was created in memory of Catherine Hughes Waddell, who for many years faithfully served the United Negro College Fund. (Not available to Headen, White, Savery or Tarrant Scholars.)

Further information on scholarships, loans and awards can be found in the 1974-75 catalog pp. 19-29.
